Per our guarantee, Pelican Products will replace or repair any broken or defective products. Upon receipt of goods, Pelican Products will notify you of any handling and return postage charges.

Pelican Unconditional Lifetime Guarantee of Excellence

If for any reason you are not satisfied with the quality or performance of any PELICAN product, we will gladly replace the product or refund your money (at your option) within 30 days of purchase through the original retailer/dealer. PELICAN PRODUCTS will continue to guarantee the product directly for a lifetime against breakage or defects in workmanship. Lifetime guarantee does not cover the lamp or batteries. The o-rings must be kept greased (and replaced if damaged) per product instructions. This guarantee is void only if the PELICAN product has been abused beyond normal and sensible wear and tear.

THE ABOVE GUARANTEE DOES NOT COVER SHARKBITE, BEAR ATTACK OR CHILDREN UNDER 5.

The *Mini Flasher* uses two 1.5 volt type 357 coin cells in either alkaline, silver oxide or lithium format. The batteries are available wherever watch or calculator batteries are sold. To replace batteries remove the lens by rotating counter-clockwise, lift out the battery tray, remove the two coin cells, install the fresh cells (negative end nearest LED), and replace the battery tray and lens.

BATTERY REPLACEMENT:

Rotate the lens counter-clockwise until the LED lamp ceases to flash. Continue to rotate the lens one turn to prevent accidental turn-on.

TO TURN OFF:

NOTE: Do not continue to rotate the lens once the *Mini Flasher* has turned on, as damage may occur to the product.

TO TURN ON:

Your *Mini Flasher* has been designed to provide a high-intensity flashing light for up to 130 hours of continuous use. The *Mini Flasher* uses a Light Emitting Diode (LED) to create a short pulse of light 120 times per minute. This product is waterproof to a depth of 500 feet.
